

Year 4 Half Term Homework

During half term, we would like you to go on an Autumn walk! Whilst you are on your walk, we would like you to gather some vocabulary ideas about what you can see, hear, smell and touch. Once you are back home, use your vocabulary to write some sentences that begin with fronted adverbials. We have put a link to a BBC Bitesize page which will remind you about what fronted adverbials are if you have forgotten! This work will help you when you come back to school when we will be doing something very similar in class.

Have a lovely half term!

You could choose to collect your vocabulary in a table like this:

<u>See</u>	<u>Hear</u>
<u>Smell</u>	<u>Touch</u>

Example sentence:

As I gazed up above me, I could see beautiful orange leaves that gleamed in the autumn sun.
