

Homework for Friday 22nd November

Due in **Wednesday 27th November**

On Wednesday 27th November, during our forest school morning, we will be reconstructing the Great Fire of London in the fire pit.

We would love the children to make one Tudor house to use in the reconstruction. **WARNING!** They will be burnt, so please don't feel the need to spend hours and hours making something elaborate.

Please bring these in for Wednesday morning, as we don't have room to store them in the classrooms.

See the pictures below to give you some ideas!
