

Challenge 1 - In maths, we have been looking at addition and subtraction. We would like the children to revise their subtraction using this method. They have been learning to subtract a 1 digit number from a 2-digit number across a 10.

We would like you to draw the counters on to show the number and then cross them off to show what you are subtracting.

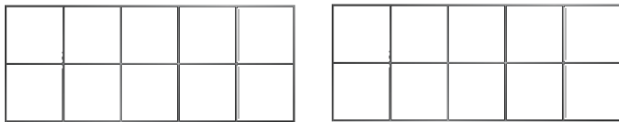

a) $14 - 9 =$

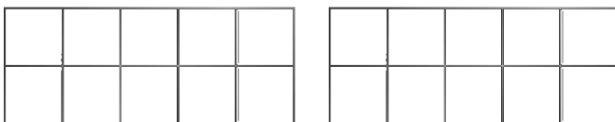

b) $16 - 8 =$

c) $17 - 9 =$

d) $13 - 7 =$

e) $12 - 5 =$
