

Year 6 Homework 10.1.25

This week we are sending home three SATs Buster booklets (Reading, Maths and SPaG) to help you to prepare for SATs. Each one is broken down into ten-minute sections for you to work through. The answers are in the back, so you must mark them and check which ones you have got correct. If you have got any wrong, then use the answers to help you identify any mistake you have made. We know it is tempting, but please try not to look at the answers before you complete each test as this will not help. These books will form part of your homework each week, from now up until SATs. You should be spending 1 hour on homework each week, so please complete the required tests in your booklets and then spend any additional time doing any reading we have set and/or Times Tables Rock Stars. The table below details which tests you should be doing each week.

We then request that you bring whichever booklets you have been working on into school on a **Wednesday**, as normal, so we can see how you have got on with that week's tests. If there is anything which you don't understand, please circle the question number in the book and we will go through it with you during our homework session.

- Note about the spelling tests in the Grammar, Punctuation and Spelling book – you will need to see if you can get an adult at home to read these out to you or alternatively, there is an online audio file at <https://www.cgpbooks.co.uk/resources/ks2-sat-buster-10-minute-tests-audio-files/grammar-punctuation-spelling-audio-files-2> (for books with the code EXPG 23) or <https://www.cgpbooks.co.uk/resources/ks2-sat-buster-10-minute-tests-audio-files/grammar-punctuation-spelling-audio-files> (for books with the code EXPG21)
- The puzzles can be done as and when you wish to do them
- The online tests can be done by following this link <https://www.cgpbooks.co.uk/resources/ks2-sats-online-10-minute-tests>
