

The Year 4 team have some news regarding our next theme...

As part of our theme, we will be putting on a performance. We will be holding a talent showcase in order to assign roles fairly and in line with the type of role children would like to have. This will enable us to see talents that the children may not yet have shared with us.

Therefore, for homework this week, we would like children to prepare a short performance to showcase their talents. Children need to showcase the sort of role they would like in the performance. For example, if they would like a dancing role, we would like them to prepare a dance and if they would like to take on a role with multiple parts e.g. singing and acting, we would like them to showcase both of these talents.

To support with this, we have provided children with the following:

#### Dancing showcase:

The children can choose to dance to either:

- How Far I'll Go from Moana
- Just Can't Wait to be King from Lion King

Children need to create a dance to this piece of music. This can be done individually or in pairs.

#### Singing showcase:

The children can choose to sing either:

- Try Everything from Zootropolis
- Million Dreams from The Greatest Showman

If children are hoping to have a role where they sing on their own, we would like them to sing a few lines on their own during the showcase, so children need to be prepared for this.

#### Acting showcase:

We are giving children two scripts to choose from which are attached on the homework page. Children only need to practise one part from either script. Teacher's or other children will fill in the other parts. If children would like to watch the scene from Harry Potter and the Philosopher's Stone please find the links below:

Script 1 – On the train: <https://www.youtube.com/watch?v=vPND3om7YuY>

Script 2 – Sorting Ceremony: [https://www.youtube.com/watch?v=z4K2F\\_OALPQ&t=4s](https://www.youtube.com/watch?v=z4K2F_OALPQ&t=4s)

None of the children will be expected to stand up on their own during the showcase. For example, if they are completing a dance audition and have chosen to do this individually, they will be performing their dance with a group of children who are also dancing individually.

The showcase will be on Tuesday 3<sup>rd</sup> December. From this we will assign children roles in the performance following the showcase.

Happy practising! We cannot wait to see all of the children shine!
