

April 2026
Year 1

Parents/Carers,

Forest School will resume this week on Thursday 16th April 2026 in the afternoon. As we head into the summer term, we're hoping for some lovely weather! However, as English weather can be a little unpredictable - and because we often use water during our Forest School sessions - please can all children continue to bring waterproofs and wellies each week.

The summer term Forest School session dates are:

- **16th April**
- **30th April**
- **14th May**
- **4th June**
- **18th June**
- **2nd July**
- **16th July**

Thank you for your continued support, we're really looking forward to another fun term of Forest School!

Katherine Grindrod (Forest School Leader)
